FEATURES

- Durable cold rolled steel construction
- Center Catch
- Carry handle for easy transport
- Card holder for easy contents identification
- Durable gray powder coat finish

Compartment Boxes

Keep all your small parts together with Craftline's® durable steel storage trays. They are the perfect shop storage container. Store small parts, fasteners, connectors, fittings or just about anything in the plastic scoop compartments. The steel outer shell is made from prime cold rolled steel. Full length heavy duty piano hinge provides rigidity and worry free service. The center mounted pull down catch keeps cover

tightly closed as well as preventing part migration and the carry handle with thumb grip allows for comfort and easy transport. Available in 6 different compartment tray configurations and can be used in all Craftline® Service Tray Storage Racks. Label sheet included in each box to note tray contents and compartment location. Individually cake boxed, fill, address and ship.
