

Ballymore Introduces Four New Drivable Scissor Lifts

Ballymore has added four New Drivable Scissor Lifts. The additions of the DMSL-10 and DMSL-12 complement our current push able MSL-10 and MSL-12 models. The exciting addition of the Ballymore's DMSL-19 and DMSL-26 represent our ability to now offer our customer scissor lifts with working heights up to 32 feet. These versions have the same high quality Ballymore standards that are present in our smaller push-able mini scissor lifts, while being economical too.

In contrast to our push-able model the drivable versions have an added feature

Extendable (Cantilever type) Platform!!

Other features include

- Self- Lock Gate
- Drivable at full heights
- Emergency Lowering System
- Emergency Stop Button
- Forklift Pockets

The added feature of the roll-out cantilevered platform provides additional access to machinery and equipment. The drivability will also improve productivity and minimize the strains from pushing lifts.

Specifications

DMSL-10- List Price= \$14,000 (IN STOCK)(Pictured Below)

- 500 lbs. Capacity
- Maximum Occupants =1
- Working Height= 16'
- Platform Height = 10'
- Platform Lowered Height= 29"
- Footprint= 30"x46"
- Overall Height= 73"
- Platform Size= 46"x28"
- Platform Extension = 22"
- Weight= 1246 lbs.
- Batteries- 2 – 12V

DMSL-12- List price= \$15,700(IN STOCK)

- 500 lbs. Capacity
- Maximum Occupants =1
- Working Height= 19'
- Platform Height = 12'
- Platform Lowered Height= 33"
- Footprint= 30"x46"
- Overall Height= 77"
- Platform Size= 46"x28"
- Platform Extension = 22"
- Weight= 1300 lbs.
- Batteries- 2 – 12V

DMSL-19- List price= \$20,000

- 500 lbs. Capacity
- Maximum Occupants =2
- Working Height= 26'
- Platform Height = 19' maximum
- Platform Lowered Height= 42"
- Footprint= 30"x74"
- Overall Height= 86"
- Platform Size= 66"x29"
- Platform Extension 36"x 29"
- Weight= 3164 lbs.
- Batteries- 4- 6V

DMSL-26- List price= \$24,000(Pictured Below)

- 500 lbs. Capacity
- Maximum Occupants =2
- Working Height= 32'
- Platform Height = 26' maximum
- Platform Lowered Height= 48"
- Footprint= 32"x98"
- Overall Height= 92"
- Platform Size= 90"x32"
- Platform Extension 36"
- Weight= 4718 lbs.
- Batteries- 4- 6V
