

Product Line

EZ-LOADER®

- Automatic pallet positioner
- Self contained captive air system keeps the work at a convenient height and is adjustable without having to change air pressure
- Turntable allows easy pallet rotation

Capacity	Raised Ht.	Platform
250 - 4,000 lbs.	30.5"	43" rotator top

UniLift™

- Transports and lifts standard GMA pallets and skids without straddling them
- Handles like a pallet jack
- Deployable outriggers enable straddle-free lifting
- Manual transport, battery operated lift

Capacity	Max. Fork Height
2,000 lbs. (20" load center)	36"

EZ OFF LIFTER®

- Pallet truck accessible pallet positioner with turntable
- Integral turntable for maximum ergonomic benefit
- Two models offered for more ramp positioning options
- Advanced safety features
- Integral approach ramp

Capacity	Travel	Platform
2,500 lbs.	28.25"	40.50" turntable

EZ UP® EZU Series

- Pneumatic scissor lift table
- Offers the convenience of air instead of electro-hydraulics
- Offered with either a fixed or rotating top
- Ideal for clean rooms and paint stations.

Capacity	Travel	Platform
1,500 lbs.	21"	30" x 51" or 43" diameter rotator top

Vision®

- Heavy-duty electro-hydraulic scissor lift tables
- Design features provide unequaled reliability and safety
- Vision lifts help increase productivity and reduce worker strain.

Capacity	Travel	Platform
2,500 - 6,500 lbs.	36" - 48"	24" x 48" to 48" x 96"

Lift2K® & Lift25K™

- Economically priced scissor lift tables
- Designed to increase productivity and reduce worker strain.
- Optional bellows, portability, turntable and foot control

Capacity	Travel	Platform
2,000 & 2500 lbs.	29.75"	28" x 48" standard (36" x 48" opt.)

Lo-Profile™ LX Series

- Provides lifting power from a collapsed height as low as 2.9 inches
- Provides easy access for pallet jacks and carts that require low profile
- Optional approach ramp and pallet jack approach ramp

Capacity	Min/Max Ht.	Platform
550 - 4,400 lbs.	2.9" to 39.4"	23.5" x 32.5" to 45.5" x 81"

CompaLift™ X Series

- Compact hydraulic lifts
- An economical solution to lifting and positioning within a confined area
- Available in manual foot pump, electric/hydraulic and air/hydraulic models

Capacity	Raised Hts.	Platform
440 - 1,650 lbs.	21" to 54"	19.5" x 25.5" to 20" x 40"

Working Harder To Make Your Life Easier

MobiLift™ BX Series

- Rugged industrial lift tables with push-bars and casters
- Perfect for manufacturing and warehouse operations as well as office environments
- Adds the value of mobility to the hydraulic lift table concept

Capacity	Raised Hts.	Platform
330 - 1,760 lbs.	29" to 62"	17.7" x 27.6" to 20.5" x 39.8"

MobiLift™ BXB Series

- Rugged battery-operated industrial lift tables with push-bars and casters
- Perfect for manufacturing and warehouse operations
- Adds the value of mobility to the hydraulic lift table concept

Capacity	Raised Hts.	Platform
660 - 1,760 lbs.	21.1" to 46.3"	19.7 x 32.1 to 20.5" x 39.8"

MobiLeveler® ESX

- Fully adjustable, weight sensitive, self-leveling, spring actuated mobile positioners
- Easily accessible gauged control knob offers infinitely adjustable weight settings within the capacity range

Capacity	Travel	Platform
220 - 880 lbs.	15.75" to 16.6"	17.8" x 27.6" to 20.5" x 39.8"

SkidLift™ LV & LVE

- Mobile hydraulic skid lifts
- Provide lifting power for skid-transported materials or work in progress
- Optional tabletop converts the unit into a mobile work station
- DC model available.

Capacity	Travel	Platform
1,100 - 2,200 lbs.	29.5"	optional

Ergo 90JE™

- Light duty ergonomic lifter
- 200 lb. capacity with max. lift height of 54"
- Highly maneuverable and easy to operate
- Electronic 24V DC power pack and detachable remote
- Light weight construction for ease of transport

Capacity	Max Height	Platform
200 lbs.	54"	19.5" x 17.3"

EZ-Mover™ Blue Label

- BS Series pallet jacks are easy to use and exceptionally durable
- Quality construction with heavy gauge steel and sturdy continuous welds throughout.

Capacity	Fork Length	Fork Width
2,500, 5,500 & 6,500 lbs.	32" to 48"	20.5" & 27"
