

# Think Inside the Box

Think versatile, **heavy-duty Box Dumpers** from ValleyCraft

Available in 2,000-lb., 4,000-lb. and 6,000-lb. capacities.

## Box Dumpers

All ValleyCraft Box Dumpers bolt directly to the floor, ensuring reliability and stability throughout operation. Heavy-duty all-welded steel dumpers are designed to manage the heaviest of loads, ranging from 2,000 to 6,000 lbs. Dumpers are fully powered up and gravity down and contents dump completely within one minute to ensure time-efficient usage. Chutes have a ¼" plate steel base with 7-ga. sides. Handy rotary-switch control activates chute, lifting dumper to your choice of a 36", 48" or 60" dump height.

### 3/60/460V NEMA 12

Customized product features including casters, variable speed control, stainless steel, 230V power option and higher dump heights are also available.

## Box Dumpers handle

- Cartons
- Tubs
- Bulkntainers
- Totes
- Gaylords
- Vats
- Troughs
- Poly containers
